

WILLIMANTIC

WILLIAM JENNINGS BRYAN
TO SPEAK AT CONVENTION.
State W. C. T. U. Meeting to Be Held in Willimantic Oct. 10 and 11.

William Jennings Bryan, ex-secretary of state, will be the chief speaker at the state convention of the Connecticut W. C. T. U. to be held in this city Oct. 10 and 11.

Mr. Bryan is one of the foremost temperance workers in the country. The convention is to be held in the Congregational church and he will speak Thursday evening. That evening the meeting will be public.

In the Willimantic union there are four state officers: Mrs. J. M. Gager, recording secretary, and the following state superintendents of the different departments: Mrs. A. C. Scripture, social welfare; Mrs. R. L. Gager, Mrs. Carrie A. Gager, soldiers and sailors; and Mrs. A. A. State of South Windham, temperance and missions.

About 100 delegates are expected, although the number may be lessened by war conditions.

There will be no national convention, but as the organization is doing its greatest deal of war work the states will hold conventions.

Mr. Bryan will speak at the Massachusetts and New York state conventions.

Police Force Short of Men.

The police department is feeling the shortage of men on the force, as there are four vacancies on the supernumerary force. The shortage is probably due to the inadequate pay, and a petition by the cops is now before the common council for an increase. Only recently one of the regular patrolmen left the force to enter another line, where shorter hours and higher wages will be received. Saturday evening, with the extra attractions, one of the day officers worked for six hours extra and a city constable was on duty at another place. Even then, a request for a policeman at a dance in the lower village had to go unanswered.
